Grain Receiving Changes

Our inbound scale is now located directly under the grain probe, on the north side of the scale house. The outbound scale remains in the same location. Grain tickets will print at the kiosk at the outbound scale. Please check tickets before leaving. If assistance is needed on the outbound scale, please use the intercom phone or call the scale house @ 712-684-9240.

Each account will have a card for our new system. If the account needs set up, let us know on arrival. For convenience, we have extra lanyards and card holders available.

Unless other agreements are made, corn delivered without a contract will be priced on day of delivery, at the closing spot bid. Saturday/Sunday deliveries will be priced on Friday's close.

Payments will be issued daily (Monday through Friday) upon fulfillment of any priced contract. If you would like to defer any payments, please communicate ahead of delivery.

Please see our updated schedule of discounts. Note these policies are subject to change at any time. **Discounts for the 2024 crop year will be on a *load-by-load basis*.**
