Wishing you a safe and prosperous year!

We look forward to serving you with extended harvest hours this fall!

Unless other agreements are made, corn delivered without a contract will be priced on day of delivery, at the closing spot bid. Saturday/Sunday deliveries will be priced on Friday's close.

Payments will be issued daily (Monday through Friday) upon fulfillment of any priced contract. If you would like to defer any payments, please communicate with the office ahead of delivery.

See our updated schedule of discounts on our website. Note these policies are subject to change at any time. **Discounts for the 2025 crop year will be on a load-by-load basis.**
